Yiwen (Bella) Zhang

UX / UI DESIGNER

Jersey City, NJ | 929-267-6793 | yzhang29@student.touro.edu | linkedin.com/in/yiwenz0612

PROFESSIONAL PROFILE

"UX/UI Design master's student with an Interior Design background, bringing spatial cognition and visual hierarchy expertise to human-centered digital products — translating user research into intuitive interfaces and design systems."

EDUCATION

M.S. UX/UI Design • Touro University — **New York, NY • Expected 2027**

B.F.A. Interior Design • NYSID — **New York, NY • GPA: 3.65 / 4.00 • Dec 2024**

FEATURED SHOWCASE PROJECT

Empathy-Driven Spatial Design for Modern Adoption Centers

- Designed trauma-informed environments centered on emotional accessibility and user comfort.
- Created collaborative spaces that foster organic social engagement.
- Applied environmental psychology and human-centered design principles to improve user experience.

Personal Portfolio Website Designer & Front-End Developer

- Designed and hand-coded a responsive portfolio site in HTML/CSS/JavaScript on a custom design-token system (typography, color, spacing)
- Deployed on GitHub Pages with a custom domain and HTTPS
- Created an animated brand mark and a glass morphism hero; shipped through versioned iterations, each verified live before release.

PROFESSIONAL EXPERIENCE

Nutrix App — UX/UI Designer | Rutgers Health Hack • Oct 2026

- Designed the UX/UI was designed as a glucose-tracking app for older adults without CGM access — 10+ screens spanning meal logging, post-meal prediction, history, and statistics.
- Built an accessible elder mode: large text, high contrast, larger tap targets, and text-labeled navigation.
- Designed the clinician-side interface (patient detail view, lab-result flags) and a complete health questionnaire flow.

LiuInteriors LLC. | New York, NY • Interior Designer Assistant • 12/2024 - 11/2025

- Conducted client-centered research to identify spatial pain points and behavioral patterns.
- Developed intuitive visual presentations and design concepts for residential projects.
- Created technical CAD layouts and coordinated documentation workflows with vendors and contractors.

McIver Morgan Inc. | New York, NY • Interior Designer Summer Intern • 06/2024 - 08/2024

- Produced client-facing presentation materials and pitch decks in Adobe Creative Suite, collaborating with marketing and creative teams on brand-aligned visual systems, typography, and composition.
